Why has inequality increased in the Western world - and what can we do about it? In THE GREAT DIVIDE, Joseph E. Stiglitz argues that inequality is a choice - the cumulative result of unjust policies and misguided priorities. In these essays, articles and reflections, he fully exposes the inequality that is afflicting America and other Western countries in thrall to neoliberalism. Ultimately, he believes our choice is not between growth and fairness; with the right policies, we can choose both.
