The My Little Pony 2009-2012 Collector's Inventory highlights some of the most exciting years in the history of the MLP brand. With the premiere of the animated television series My Little Pony: Friendship is Magic, this popular Hasbro toy line received not one but two makeovers between 2009 and 2012 and it can be daunting for collectors to keep details like poses, trading cards and cutie marks straight. Summer Hayes has created the ultimate collector's resource with everything pony fans of any age need to organize their collection from the Core 7 to the Mane 6. With hundreds of full color photos of items both in and out of packaging as well as checklists to keep track of all the tiny accessories, Summer guides even the greenest newbie through fan favorite sets like Dress Up, So Soft, New Look, Newborn Cuties, Ponyville, Mermaids, Canterlot, Pony Friends Forever, Royal Wedding, Dolly Mix, Blind Bag miniatures and more. From unique exclusives and hard to find special editions to the ponies, playsets and plush widely available in retail stores, there's a reason Summer Hayes' My Little Pony Collector's Inventory series is considered the definitive reference guide by serious and casual collectors alike.
