"Recensione **Deft, dark and daring**, Kesia Lupo seamlessly entwines the fates of two young women bound by magic to a dying city (Melinda Salisbury, author of THE SIN EATER'S DAUGHTER and STATE OF SORROW) **A stormer of a story!** (Kiran Millwood Hargrave, author of THE WAY PAST WINTER and THE GIRL OF INK & STARS) **A smart, compelling story** with a solid, enclosed plot, compelling characters and **some rather delicious twists** ... Wonderful (SFX Magazine) One of the most **confident** debuts I've read for ages, with **opulent** world-building, **fabulous** female leads and a **genuinely thrilling page-turner** of a plot (Bookseller, One to Watch) **A gorgeously written** fantasy, with a **haunting, intricate world** (Mary Watson, author of THE WREN HUNT) **Glorious!** Dark, enthralling and full of twists. It completely **swept me away** (Anna Day, author of THE FANDOM) An **extraordinary** read, it's a **deliciously divine page turner** that reminded me of the very best of Garth Nix and Joe Abercrombie but is entirely its own incredible and original world ... I genuinely cannot wait to read more from this **amazing new voice** (Liz Hyder, author of BEARMOUTH) What a cracker! **Game of Thrones meets Harry Potter** with two super-strong female leads (Ally Sherrick, author of THE BURIED CROWN) Stormingly good, packed with **intrigue and dark, dangerous magic** (Amy Wilson, author of SNOWGLOBE) Descrizione del libro **A stunning and original YA fantasy from a fantastic new talent. Perfect for fans of Leigh Bardugo and Laini Taylor** L'autore Kesia Lupo studied history at Oxford University and creative writing at Bath Spa. She lives in Bristol with her husband and works as a children's book editor, writing in the mornings before work. We Are Blood and Thunder is her first novel"
