an impressive publication that presents a large selection of typographic works by Niels 'Shoe' Meulman, arranged in a uniquely simplistic manner. Every spread presents two interacting visuals on its opposing pages. This repeating duality makes this book much more than just a collection of the artist's best work; it unveils the basis of all graphic art. The idea of universal harmony, sometimes described as yin and yang, is translated to the 21st century. Throughout the book there will be commen
