"Synopsis For generations, conventional wisdom stated that you could never sell a book with 'penis' in the title - until Quirk's 'Penis Pokey' shattered all of the rules, racking up 100,000 in net sales in just 18 months. In this same tradition comes 'How to Live with a Huge Penis' - a gift every man will cherish, regardless of whether or not he actually needs it. Frankly, it's enough for someone to think he needs it. This hilarious self-help parody is full of compassionate advice for men afflicted with Oversized Male Genitalia (OMG). Far too often, these men are banished to the fringes of society, victims of their own freakish length and girth. But Dr. Richard Jacob and Rev. Owen Thomas are here with a message of tolerance and hope, along with hilarious advice on 'coming out' to your family, sharing your assets with a partner, and avoiding injury in the workplace. Complete with a daily affirmations journal and inspiring quotes from leading self-help experts, 'How to Live with a Huge Penis' will send an uplifting message to men around the world.
