Bring the garden indoors for kids with this creepy crawlies sticker book packed with bugs and insects, published in association with the RHS. Find out what garden bugs such as caterpillars, worms, and woodlice do to help plants grow. Discover a world of predators, scavengers, and plant-eaters right outside your back door. Learn your ants from your aphids and find out what might be munching tiny holes in leaves. Get to know the names of the different types of butterfly that live in your garden and see their beautiful markings up close. Find out which insects fly with jewel-like wings and which scuttle along the ground on lots of legs. Meet tough, armour-clad beetles that do battle with each other amongst the leaves and grass. Decorate your stuff with insect stickers that'll make everyone squirm, and cover your school books or projects with giant stickers of colourful minibeasts. Learn more about nature and some of its smallest wonders!
